of some of the weapons and items in the game. Test Drive Unlimited allows you to play as the main character, Jack, and his three friends, Adam, Kelly, and Dan. The four players will be given a certain goal to accomplish by the management of the company, and the other player will be the main obstacle to make their objective impossible. The game is played in real time. You must find a place to park your car, that is, the player will need to move around in the game. Every time a player does something (stops, stands, etc.) in the game, a meter will fill up. The players must then use a specific weapon to clear the player that just stopped, or to attack any enemies that are nearby. There are several types of enemies in the game. The ones that cannot be ignored are the ones that are a threat to the player. The player must destroy them by killing them with a weapon, otherwise, they will attack the player. There are different types of weapons available in the game. They are classified as melee, ranged, and energy weapons. It is possible to switch between weapons at any time. All you need is to hit the button located next to the weapon icon. There are four different types of weapons, each one is indicated by a number between 1 and 4. The number 1 indicates the weapons that are not considered weapons, but 82157476af
